

92207 Toe Dolly

- Made of high carbon steel, forged and tempered, for strength and durability

No.	Spec.			
92207	Pry Bumping Spoon	6	12	16.2

92209 Pry Bumping Spoon

- Made of high carbon steel, forged and tempered, for strength and durability

No.	Spec.			
92209	Toe Dolly	-	12	15.4

95201 Wood Handle Putty Scraper

- Heavy duty blade with ground edge for maximum strength
- Wood handle provides more comfort
- Capable of clearing dirt on engine cylinder surface and all kinds of metal surfaces

No.			
95201	6	120	174

▲ Excluded from lifetime warranty terms.

97105 Rigid Scraper

- Used for surface cleaning for installing new gaskets
- Used for cleaning cylinder cover surface of the automatic temperature regulating pump, crankcase and timing chain before gasket installation

No.			
97105	12	72	15.3

▲ Excluded from lifetime warranty terms.

62503 Automotive Circuit Tester 6V/12V/24V

- Used for detection of low voltage circuit faults in transportation machinery
- For use in automobiles, motorcycles, bulldozers, rollers and other transportation machinery maintenance/operations

No.	Voltage Measuring Range			
62503	6V-12V-24V	-	36	2.4

▲ Excluded from lifetime warranty terms.

62504 Dual Purpose Automotive Circuit Tester

- Used to test 6V and 12V circuit voltage and spark plug discharge
- Testing by grounding the duckbill clip end, and inserting the probe end into the tested end
- Testing spark plug by unscrewing the probe and screwing it into the other end of the handle

No.			
62504	10	100	14.9

▲ Excluded from lifetime warranty terms.
