

176 Sets Industrial Production Maintenance Set

95121 Tool Cabinet

- Easy management: Independent position provided for each tool on the EVA tray for easy recycling, counting and 5S management for users.
- Easy use: Intuitive and clear tool arrangement with laser mode adopted for small tool specification for easy identification and selection
- Delicacy and durability: EVA tray made from quality foaming materials and subjected to CNC engraving, and tray surface subjected to drawing, with laser mode adopted for product specification, featuring oil resistance and wear-resisting.
